

Reach the ones who matter most

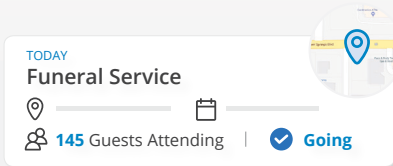

“ Our family’s so thankful for this app.

RELATIONSHIPS

Create a virtual community of support

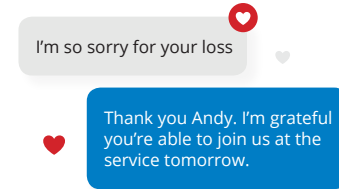

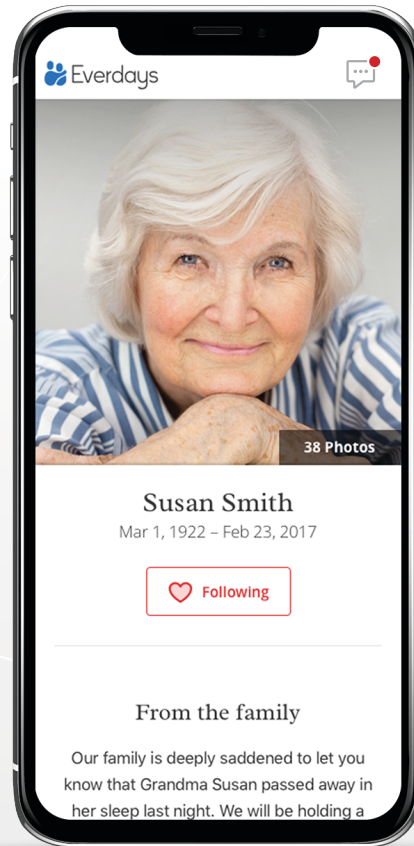

Use the Everdays mobile platform to bring all those who matter most together quickly, easily, and efficiently.

EVENTS

Engage with your loved ones

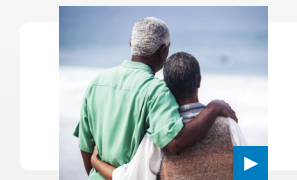

Ensure that you’re surrounded by people you love at each memorial event by including all service information.

MESSAGES

Send and receive private condolences

Keep all of your special messages from friends and family in one place.

STORIES

Capture memories that live on forever

Rediscover special moments through a memorial video, created automatically with uploaded photos.
